Hotdog Roaster

Issued Oct 2005

Parental Leader supervision is recommended.

What You Need

- 1 cylindrical oatmeal container with lid
- Sharp scissors
- Aluminium foil
- Hole puncher
- Long wooden skewer (for shish-ka-bobs)
- Plastic wrap, optional

How to Make It

1. Remove the lid from the container and cut in half.
2. Use the sharp scissors and cut the container in half lengthwise.
3. Punch a hole in the lid and in the bottom of the container about 1/2 way from the cut end.
4. Replace the half lid on the container.
5. Cover the whole container with aluminium foil. Make sure you leave the holes open.
6. Place a hotdog on the wooden dowel and place the ends of the dowel through the holes.
7. Place out in the yard in sunlight and let the hotdog roast until cooked all the way through. You may wish to cover with foil or plastic wrap.
