Break the Hands

Issued July 2004

Equipment: One toy stuffed animal

How to play: All Joeys except one (who is IT) should stand in a circle holding hands.
IT goes around the outside of the circle and gently breaks apart the hands of two players.
The two Joeys whose hands were broken apart must run around the circle in opposite directions.
IT stands in their spot with his legs open.
The first child to make it around the circle, crawls through IT's legs and grabs the stuffed animal in the middle of the circle.
That Joey becomes IT for the next round.
