

New South Wales Branch
Hunter & Coastal Region

Dinosaur Trek

Issued July 2004

- Equipment:** Ten large dinosaur footprints made from paper, a bag of lollies for the group to share
- How to Play:** Write a simple clue on each of the footprints so that each clue leads the group to the next footprint.
Print the clues in large and simple words so that the joeys can read them.
Tell the group that they are going on a dinosaur trek in search of a surprise.
Hand the Joeys the first footprint clue and allow them to follow the directions to the next clues.
The last clue should lead to the surprise, which of course, are the lollies!
