**Hunter & Coastal Region**

## Stepping Stones

Issued July 2004

- Equipment:** Two beanbags per team, (optional: green construction paper, scissors, and glue)
- How to Play:** Joeys sit in relay formation facing the opposite end of the hall.  
The challenge involves reaching the far wall and returning while only stepping on the stones (bean bags)  
Cut out 8-10 small alligators from green construction paper and glue these along the stepping stone route for extra fun!  
On "GO!" the first child in each team places a bean bag 15 cm in front of him and steps on it.  
Balancing here, Joeys must place the next bag in front and step on it.  
Repeat this until they reach the far wall, then turn around and return to their teammates.
