## The Regional Commissioner's Message

### Jean Passes On

On a very sad note, our very recently retired Regional Chairman, Jean Hattander, passed away in the early hours of Sunday 16 September. The previous day, supported by Grahame Pricter and Allan Currie, I presented Jean with her Silver Kangaroo. She was surrounded by family and medical staff and it was (as I am sure that you will appreciate) a very sensitive and emotive time for all concerned. On the following Thursday I was present with a large and diverse number of people at her funeral where I truly appreciated the many people and organisations that Jean had touched and the service was a fitting tribute to her. I was close to her and I will miss her loyalty and support.

### Regional Chairman

I'm sure that you will join me in welcoming our Deputy Regional Commissioner, Allan Currie aboard in his additional role of Regional Chairman. Allan (of course) was Regional Commissioner between 1996 and 2003 and so he brings considerable expertise and ability to the position. Jean was aware of his appointment to this office and expressed her pleasure in it. I personally have enormous respect for Allan and I look forward to our continuing association in this new task.

### The Region Centenary Event.

Well, what can I say? The Event on the Newcastle Foreshore over the weekend of 21-23 September was a fantastic success despite some "testing" weather on the Saturday afternoon. People were resilient and enjoyed and participated to the maximum. When you begin to thank people, you can invariably forget someone but it would be inappropriate if I didn't, both personally and on your behalf, thank Chief Organiser, Grahame Pricter. There are insufficient superlatives to describe his commitment to the responsibilities of the position. It is, without doubt, the largest gathering of people to be held in our Region ever. The standard of the activities was outstanding and to each of you in every part of the Region, my sincere thanks and congratulations for your fantastic support everyone. You have "done us proud" and I feel very privileged to be associated with people of your calibre. The event was attended the entire weekend by Chief Commissioner of

Australia, John Ravenhall and I can assure you that he was both happy to be with us and also impressed with the weekend. In addition the event was visited by the following NSW people Deputy Chief Commissioner, George Kolsky; Assistant CC, Warwick Bateman; State Commissioners Lyn Mann, Jan Goodall, Phil Crutchley, Charles Watson and Warren Goodall (respectively Joeys, Cubs, Scouts, Venturers and assistant Training) many of whom were heard to comment favourably about the efforts being made to bring exciting activities to our young people. In addition several local dignitaries attended notably including the Lord Mayor of Newcastle, John Tate accompanied by the Lady Mayoress, Cathy Tate. So there were plenty of others to see what was going on. We will ever be indebted for the generosity of the staff of Newcastle City Council without whose advice and cooperation, the event just would not have happened at all.

The prototype of the Centenary Medallion has been sighted and I am sure that all promised made about quality and desirability have been fulfilled. There won't be a youth member who will not want one (nor a leader either for that matter). So if you were at the Centenary Event on the Foreshore, you are in the running to get one. If you are a current registered member and your Group Leader / Crew Leader certifies that you have completed the 100 Point Centenary Challenge, then you are in the list to get a Medallion. It's really that simple, although some work is needed by some. Let me once again confirm my direction on these Medallions, they will NOT be given away to everybody, they must be EARNED. If you are in doubt as to what is needed then your District Commissioner can set you straight. So you have to the end of October (yes this month) to get the 100 Point Challenge completed and then once the lists are in and checked, the Medallions will be issued and you will be the envy of everyone else. The List needs to go to Deputy Regional Commissioner, Colin Paulson who is collating the results and will then check the data. Colin can be contacted via Region Office

We are on a high I know but shortly, yes Christmas is not far away and we will be going into our Member Retention Strategy. Later this month we will announce what the Retention Prize will be and yes it will be a "ripper". Speaking of retention, don't forget that your District Commissioner will at the DCs' Conference on 20 October tell us what each Group intends doing to ensure that youth members return to Scouts after the summer break, in

February. As I have said numerous times, it doesn't matter if the strategy is shared by Groups in Districts but the days are long gone when we can expect our youth members to return to us after 1 February automatically. It has to be MADE happen with something that will bring them back. Some inspirational event or some other strategy with a "WOW! Factor" must be put in place and the time to do so is NOW. So how are you going to do this, have you spoken to your fellow Leaders in other Groups and discussed what they are doing? Networking is one way to get some good ideas here. However doing nothing is not an option, with your positive help we can stop the summer drop and minimise the member leakage at this critical time of year. Keeping 'em should be much easier than recruiting 'em. I look forward to hearing of lots of imaginative plans.

Steve Fernie  
Regional Commissioner

## **International & Member Support**

### **CENTENARY OF SCOUTING EVENT**

"They saw them here, they saw them there, they saw those Scouting Types EVERYWHERE!"

This was the scene at Newcastle Harbour Foreshore on the week-end of the Centenary of Scouting Event. Although the Saturday was not the best weather wise, it still attracted between 2500 and 3000 people including the public. The official starting time was 10am but by 9am the lines were established at the Flying fox, Abseiling and Climbing Wall and the many other activities available. What a day! High winds caused the cancellation of water activities and almost the Camp Fire at night.

But despite all this the enthusiasm of the young people could not be dampened.

New activities such as the Laser Tag, YACS Tent, Friendship Tent, Memorabilia, Venturer Maze Mat, all proved to be popular. Thanks to the BP Guild for manning the Friendship Tent and the Memorabilia. Keith Parry and his team have produced a Tower of names of those who attended and visited the Friendship Tent. The tower will be suitably mounted and placed on display at the Memorabilia Centre as a memento of the event.

We were pleased to host the Chief Commissioner of Australia, John Ravenhall, who was in attendance for the full week-end and to hear his comments on what had been provided for the members of Hunter and Coastal Region during the Centenary Year. "It was the biggest event run by any Region," and other similar comments. These were also endorsed by George Kolsky Deputy Chief Commissioner and Warwick Bateman, Assistant Chief Commissioner, Lyn Mann, State Commissioner for Joey Scouts, Jan Goodall, State Commissioner for Cub Scouts, Phil Crutchley, State Commissioner for Scouts, Charles Watson, State Commissioner for Venturers.

Thanks to Peter 'Griffo' and his team and to the "Group Managers" young peoples band and the Lake Macquarie Police and Citizens Pipe Band for their contribution.

The "Group Managers" certainly had the place jumping!

Saturday we also welcomed visiting dignitaries from around the around Region.

Special presentations were made to Cub Scouts from throughout the Region of the Grey Wolf Award, to Joeys of the Joey Scout Promise Certificates and a Scout Medallion.

One of the most popular activities on Saturday was the twist damper cooking base. Not just because of the opportunity to eat but to get warm! Well done John Gibson. There must be thousands of hand made candles in homes across the Region. I know Cooks Hill Scouts made many and were proud to show them.

Sunday dawned with the sky full of sun and this proved the catalyst for a day of fun and enjoyment. Water Activities resumed both at Horseshoe Beach and Nobby's Beach. The crowd was swelled by the attendance of many who came back after Saturday for a "second go". Numbers were estimated at between 2000 and 2500. The Lord Mayor and Lady Mayoress of Newcastle attended on Saturday morning with their grandchildren, who led them all over the Foreshore. John was heard to say that he would like to see such an event run on the Foreshore every two years as this is what the young people and the City of Newcastle need.

Sunday we also had a "Meet the Chief " morning tea when many leaders and young people took the opportunity to have a drink and a chat with John Ravenhall. It was great to see Ron Critcher, Regional Commissioner of the South Coast & Tablelands in attendance too.

What a great job everyone did! Special mention should be made of the tireless and efficient way the Registration teams worked, both at the Foreshore and No.2 Sports Ground. Camping at No.2 was a sight to behold. Some 970 people booked in on Friday night and to see those tents go up was awesome. Well done to Kevin Allen and his team.

To all those who worked on Activities and those who catered for them a big BRAVO.

What a magnificent Climbing and Abseiling Tower. Our thanks to the firm that donated and erected it. To Gencom for the radios, to the Lighting Towers provider, thanks. Your assistance made for an easier running of the event. To the St John's Ambulance, who I think had a very easy time, to the Lions and Rotary Clubs who provided the Food outlets a big thank you. To our Regional Commissioner goes our appreciation for his support and encouragement and to anyone else I may have missed a big thank you from the whole of the Region. This certainly has been the largest activity ever put on this Region and the first time that a Chief Commissioner of Australia has ever visited.

For me this is probably the pen ultimate of many Scouting Activities such as Corroborees, Jamborees, World Jamborees etc that I have been privileged to coordinate.

Next year we will be Celebrating the Centenary of the starting of Scouting in Australia in 1908. There will be a new Team Leader. I encourage you to support him and the team in making this event even bigger and better than this years. Again my thanks to all.

Grahame Prictor - Camp Chief  
**2007 Centenary of Scouting Event**

## BP's Birthday Bash 24 February 2008

Celebrate the 151st birthday of the Founder of the Scouts, Robert Baden-Powell at the 2008 Baden-Powell's Birthday Bash. The event will be held on the 24 February 2008 at Richley picnic area in Blackbutt Reserve, Newcastle. There will be lots of great activities both new and old including flying fox, canoeing, rope bridge, water slides, koala tour and much, much more. The organising committee is looking for people willing to help out and run activities. If you would like to help contact me: alex.motyka@gmail.com

Stay tuned for more updates.

Alex Motyka  
For the Organising Committee

---

## Smoke Signals

### Dick Smith

Adventurer, Businessman, Publisher and Former Scout

*" I began as a Cub at eight and went right through to Rovers at age 23. I was very much a loner and Scouting gave me mateship, taught me organisation and how to motivate people. That's why I was able to be the success I am.*

*I owe a lot to Scouting. It had to be the most fantastic influence on my life. It taught me responsible risk-taking.*

*My first real expedition was when a group of Rover Scouts and myself organised a sailing boat and sailed to Ball's Pyramid, an incredible rock spire about 300 miles to the east of Sydney. I was about 21 years old and it gave me the kind of experience that helped me to start my business.*

*I've got a tremendous amount to thank the Scouting Movement for. Scouting allows people to be individuals, but also to work as a team. I found in my business that what I'd learnt in my early days in Scouting, to get on with people, was incredibly important."*

In 1966 he was awarded the Baden-Powell Award, the highest award in the Rover Section (17-26 years old) after 14 years in Scouting. In 2005, ABC television's Australian Story had an episode about Dick's remarkable adventures as a Rover.

## Games

### Circle Football

Equipment: Bean bag

The players form a circle and hold hands. A bean bag is placed in the centre of the circle. The idea of the game is to force the bean bag outside the circle. The two players that the bag passes between or under are out of the game. Players are allowed to pull a player over the bean bag or to kick it. If the circle breaks both players at the break are out of the game. The last player left is the winner.

### In the Pond

Equipment: Chalk

The players stand in a large circle just outside the chalk circle. The leader stands in the centre and may say the following commands

"In the Pond!" - all the players jump into the circle

"On the Bank!" - all the players jump out

If a command is given when all the players are already in or out of the Pond it should be ignored. Any other wording should also be ignored (e.g. In the Bank). Any player who makes a mistake is out and sits down. The last player is the winner.

### Squat Tag

Equipment: Chalk, short rope

Mark out a circle in the middle of the room about 3 or metres wide. Two players squat within the circle holding the rope. The object of the game is to get the other player to put any part of their body outside the circle or to let go of the rope.

### Bomb

Equipment: Beanbag

The beanbag represents a ticking bomb. The players run around trying to avoid the bomb. At certain intervals the leader blows the whistle. The player holding the bomb at that time is 'dead'. The bomb can be passed on by a player touching another player. If you are touched you must accept the bomb. Play continues until the last player left in

### **Scouting in 2007 and 2008**

Have a look at the Regional Web Site for all the Activities and Camps your Group can celebrate the Centenary of Scouting at <http://www.scoutreach.com.au/2007/> or Centenary of Australian Scouting at <http://www.scoutreach.com.au/2008/>

**Dates are listed on the website.**

## Wood Badge

Our congratulations to:

**Alan Ford – GL Broken Bay**  
**Brian Perrem – GL 1<sup>st</sup> Berkeley Vale**  
**Raeshel Phelps – JSL 1<sup>st</sup> Branxton Greta**  
**Sue Allen – JSL Singleton**  
**Jill Heath – DCSL Central Coast Lakes**

On their recent awards of the Wood Badge (being a Certificate IV in advanced leadership).

---

## Cub Scout Capers

In past few weeks the Region's Cub Scouts and Leaders have attended two large events to celebrate the Centenary of Scouting. By all accounts the Cubs had a great time and the Leaders vowing never again, until next time. The Regional Centenary Event was a huge success and just goes to show the quality of the Region's Leaders and their dedication to the youth of our communities. The Grey Wolf presentation had two special guests; John Ravenhall and Jan Goodall officiating on the day. Thank you to one and all for making the Centenary Event such a good camp for the Cub Scouts and their families. Also a huge thank you to Charlestown leaders, parents and venturers and Tricia Fortier ADC Gosford for all their catering for the weekend.

Please pass on to Cub Scouts that attended the State Cuboree on their good behaviour and good manners. To the Leaders and parents, thank you for making yourselves available to attend the Cuboree and ensuring the Cubs had a good time. Just for general interest this was the first time the Region has camped as H&C Packs and not been a top up to another Region, well done all! I must not forget the other Leaders and attendees from Region that worked behind the scenes in; catering, QM, first aid and security. Without these roles the camp could not be successful in providing the opportunities for our Cubs to try new and exciting activities.

In 2008 we will have two new events for the Cub Scouts to participate in; one is the "State Cook off". The Cub Scout will compete against other sixers to be selected to represent Region at a State cook off on the 12th October. The other event is "Out and about" where all Cub Scouts

are encouraged to use public transport some time in November. We are looking into the feasibility of the Region travelling by train to Taronga Zoo the weekend of 22nd-23rd November.

David Main

## 100 years of Australian Scouting

Well our World Centenary 2007 weekend is over, but you may be aware that 2008 is the Centenary of *Australian Scouting* and has been declared The Year of the Scout by the Australian Government.

The region is organising an Australian Centenary Weekend called "Scoutfest", packed full of activities just like this year.

I have started firstly with a small team, looking for locations and activities.

So stay tuned to this space.

Greg Allen  
**2008 Centenary Weekend Co-ordinator**

---

## Lost Property

As with all good events, we have a bag full of lost property from the Centenary Event on the Foreshore. Apart from the usual clothing items and hats, we also have a digital camera and a camera battery. All enquiries to the Region Office on 4929-1760.

---

## Community Service Recognised

Mr Bob Seal was honoured with a NSW State Government Community Service Award at the Central Coast Regional Cabinet held in Wyong last month. NSW Premier, Morris Iemma, presented Bob with an engraved plaque recognising his tireless commitment to the community for his contribution to Scouting. Bob Seal has been involved in the Scouting movement since 1940 both in Australia and the United Kingdom and is presently an Honorary Commissioner with the Region who is actively involved in both Region activities and Gosford District. BRAVO and well done Bob!

---

## Happy Hopping

### Centenary Event

I wish to thank everyone who assisted at the Centenary event - your efforts were amazing!

Although Saturday tested our skills weather wise it did not stop everyone having a great time and of course Sunday was just perfect.

I had a phone call on the Monday after from an acquaintance who told me her thirteen year old grandson went to Nobby's beach for a swim. He and his four friends joined in the Scout celebration. She told me her grandson was ecstatic; he said they had the best time ever! That must be the best feedback we could get to have children outside scouting **ecstatic!**

### Care and Share Month – November 2007

This year for Care and Share, the District Leaders have decided to use the month to assist young children in Cambodia.

The Sunshine Centre is a project that provides before and after school care to around 90 children aged 3-16 years. The programme includes breakfast and a hot lunch, bathing facilities and basic health care. These children used to be too poor to go to school (their families earn less than US\$2.50/day) the children would normally spend their days roaming the streets, trying to earn income, usually by collecting recyclable materials. However, since October last year, the sunshine project has enrolled more than 70 children into government schools, many for the first time in their lives.

The District Leaders have the program for Care and Share and details of how we can participate at your Wandarras during this month.

Below is a rough outline of what is being suggested.

**Week One:** Joeys given a job card for week with 5 slots/parent to sign. When complete we are asking parents to donate \$1 for the Jobs done.

**Week Two:** Run adventure program. There will be two Programs supplied by District Leaders or you can do your own program. Invite families other members of your Group & charge \$1 admission. You could also consider running one program on week two the other in week four or later if you wish.

**Week Three:** Take photos of Joeys. Ask the Joeys to write about themselves, make a lightweight booklet perhaps?

**Please note:** Mail to Cambodia is expensive we need to keep this lightweight.

**Week Four:** Outing – Multicultural Centre, Art Centre, Museum, Go to park & play Cambodian Games, Visit Library & read Cambodian Stories.

Marilyn Hocking

# 2007 NSW Uniform Survey

Under current national requirements, uniform below the waist is not specified (other than for major events by the event coordinator). Following recent feedback from Scouts across NSW, the Chief Commissioner is reviewing these uniform requirements for below the waist apparel, and is inviting all members to comment on the questions below.

To which section do you belong?

- Joey Scouts
- Cub Scouts
- Scouts
- Venturer Scouts
- Rovers
- Leaders/Associates

Should NSW mandate the type of apparel to be worn below the waist by it's members?

- Yes
- No

If below the waist apparel was specified,

a) What colour would you prefer?

- Beige (as per the pants currently available from Snowgum)
- Black
- Navy Blue
- Other: \_\_\_\_\_

b) What style would you prefer?

- Zip-Off Pants
- Dress Trousers
- Shorts
- Other: \_\_\_\_\_

Please use the space below to add any additional comments about "**below the waist**" apparel.

---

---

---

Please forward this completed survey to Steve Fernie c/ H&C Region Office POB 854 The Junction 2291 to arrive before 19 October 2007. Don't miss out on having a voice!
