| General Comments |
|--|
| <p>Coming In Activity- Make Scarves and Goggles Need Crepe paper, cardboard, scissors, wool or hat elastic. To Make: Give each Joey Scout length of crepe paper to put around neck as a scarf. Cut around black cardboard goggle pattern and tie on wool or elastic.</p> <p>Suggestion for Supper Sandwiches, juice and cookie on little tray (made up like airline food). If you ask your local meat dept at supermarket for small foam trays, most will sell them to you.</p> <p>Leaders should be dressed as pilots and could take on names eg: Kingsford Smith, Wright, Amelia etc Option: Decorate the hall to look like a plane hangar.</p> |

Game: Flying in formation

Equipment: Obstacles

Teams Line up with each Joey Scout touching the Joey Scout in front with their arms outstretched. On go they run around the course without breaking formation.

Game: Radar Romp

Equipment: Use existing Obstacle course, Balloon per pair

Joey Scouts in pairs stand facing each other with blown balloon jammed between their tummies. On go they run around the obstacle course without losing their balloon.

Game: Bomber Training

Equipment: Plasticine, target

Each Joey Scout is given a plasticine bomb. Line the Joey Scouts up (for large Mobs form two lines). With arms outstretched as wings they run down the runway past the target with arms remaining outstretched drop their bomb at the target.

Game: Mechanics Training

Equipment: Bolts and Nuts, Rubber Gloves

Joey Scouts in equal teams. First Joey Scout in each Team puts on the gloves and runs up to nut and bolt. The Joey Scout screws the nut onto the bolt, when complete they then remove the nut again and return to the team and pass the gloves onto the next Joey Scout.

Game: Flying Blind

Equipment: Blindfold per Joey Scout

Each Joey Scout is blindfolded. Leader calls out directions and paces and the Joey Scouts follow the directions.

Adventure Activity: Airplane Construction

Equipment: Cardboard boxes, tape, crepe paper, Parent helpers

Place the Joey Scouts into equal groups. The groups make a airplane of their own design from the items provided, which will contain all members of the group at the same time. (Use your parent to assist the Groups of Joey Scouts)

Activity: Fly Past

Equipment: Nil

Each Group get into the airplanes they have made and fly past the leaders and other groups to show off the airplanes.

Night Flight: Out Door Activity

Equipment: Torches

Joey Scout Groups fly out of the hall lead by the Leaders and around the hall.

Song: Those Magnificent Men In Their Flying Machines

(This song could be played from tape while the out side flying is taking place or just sung when all are back in the hall.

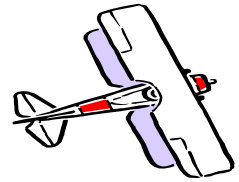

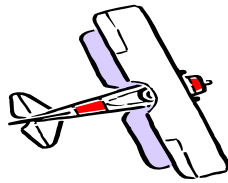

Song- Those Magnificent men in their Flying Machines

Those Magnificent men in their Flying Machines
They go up tiddle-ee up up,
They go down tiddle-ee down down,
They enchant all the ladies and steal the scenes
With their up tiddle-ee up up,
And their down tiddle-ee down down

Up, down, flying around
Looping the loop
And defying the ground,
They're all frightfully keen
Those magnificent men in their flying machines.

They can fly upside down
With their feet in the air
They don't think of danger
They really don't care
Newton would think
He made a mistake to see those young men
And the chances they take!

Those magnificent men, those magnificent men,
those magnificent men in their flying machines
