General Comments

### **Game Mr Bear are you Sleeping?**

One Joey Scout is the bear and they go a short distance away from the larger group. This Joey Scout lies down and closes their eyes and pretends to be asleep. The large group moves toward him and says quietly "Mr Bear are you sleeping?" The bear continues to sleep. The large group gets closer and asks the question again. This continues until the large group gets up to the sleeping bear. When they are real close they ask the question very loudly. The bear roars and tries to grab the children who woke him from his sleep. The Joey Scouts take turns being the bear.

### **Bear Hugs**

Play music. When the music stops call out a number 2,3,4 to what suits the number of players and they have to hug in groups of the number you call.

### **Craft - Teddy Bears Playground**

Give the Joeys Scouts a piece of cardboard and an assortment of straws, p/pop sticks, pipe cleaners and some blue tak.

Ask them to make a playground for some tiny teddies. When they have finished give them some tiny teddy biscuits that can play there.

### **Bears in the Bath**

Set blue jelly in a plastic cup 1/Joey Scout. Give each Joey Scout a bath and have them add some gummy teddy bears and some cream in a can. Eat and enjoy.
