AIM OF SCOUTING

The aim of Scouting is to encourage the physical, intellectual, social, emotional, and spiritual development of young people so they may take a constructive place in society as responsible citizens, and as a member of their local, national and international communities.

Joey Scouts are the youngest section in the Scout movement. The Joey Scout Section is open to Girls and Boys aged 6 & 7 years. Children attending Joey Scouts learn through participation in a variety of fun activities. The Joey Scout Program encourages caring and sharing for those around us and our world.

The program also offers- Fun Games, Interesting Crafts, Exciting and different outings/New adventures, the chance to make New Friends.
